

Guidant Partners Recognized on Everything Channel Fast Growth 100 List!

November 1, 2009, Nashville, TN... Substantial revenue growth and an increase in average annual sales have led Guidant Partners, a local Information Technology (IT) Managed Service Provider, to land on Everything Channel's prestigious **Fast Growth 100 List**.

"We feel especially proud to be included on this list "says Guidant Partner CEO Steve Burgess "It's an honor to be recognized as a leader in a fast growing and ever changing industry"

To be considered for the Fast Growth 100 list, companies had to be an independent, IT solution provider, based in the United States and have net sales of at least \$1,000,000. The Fast Growth 100 rank is based on two years' growth of net sales from calendar year 2006 to 2008. Net sales were verified by public filings when possible. All private companies provided a signed affidavit attesting to the accuracy of the reported 2006 and 2008 net sales figures or accountant-reviewed financials or audited financials.

Guidant Partners first opened its' doors in 1988 as a single source provider for data and cabling needs. Today they offer a full line of managed care IT services and are committed long-term partners to their clients. Instead of working under a break/fix business model as many IT providers do, Guidant Partners takes the cost and risk out of IT failures by offering a flat monthly fee and resolving the majority of IT problems before a client even knows they exist.

"By offering our clients a predictable, stabilized monthly fee, we're able to deliver 24x7 protection of their electronic data," says Steve. "The net effect of this is IT dollars once spent reacting to unplanned downtime are now utilized to deliver increased uptime."

Due to expansion across Tennessee, Guidant Partners moved their corporate headquarters to Nashville in 2000 and now serve clients throughout North America. Their clients range in size from a single office with five users to clients with multiple locations and more than 1,600 users.

Guidant Partners is located at 714 Airpark Center Drive in Nashville. To learn more or request a free technology savings analysis for your business, visit www.guidantpartners.com, email info@guidantpartners.com or call 615-327-9111. Their office hours are Monday through Friday, 8am to 5pm with client support available 24 hours a day, 7 days a week.
